

Luna

Named after Carrie Jubb and Chris Elledge's girl Luna, who died suddenly of cancer in 2011 just after a costly orthopedic surgery, the Luna Fund is a strictly voluntary fund our owners have set up to help each other with catastrophic vet bills. Anyone in the

family needing help should contact us privately. Help will be on an anonymous basis -- no one needs to know you applied -- though of course the books will be open to anyone who has a concern.

We have a Paypal account set up and Naydene Mitchell of [Marnay Whippets](#) is keeping the books.

started in whippets with a

dog over a decade ago, and our families have remained very close over the years. Obviously we won't be able to pay entire vet bills, but if you've been hit with a real hardship because of an injury or serious illness involving a

dog, we'll do our best to help. The amount we're able to contribute will depend on contributions to the fund, of course.

How to contribute:

Funding can be arranged by a one-time payment or monthly subscriptions. See the Paypal buttons below. Thank you all for your help! This has got to be the greatest group of people who were ever brought together.

Scentsy Fundraiser:

Johannah Hutchens Gage is hosting an ongoing Scentsy fundraiser for the Luna Fund where 20% of all sales will go directly to the Luna Fund. Scentsy is the original flameless, wickless candle. It works by gently warming scented wax over a low-wattage light bulb, concealed in stylish ceramic warmers that match any decor. There are over 85 scents available and dozens of ceramic warmers to suit any taste. It is safe to use around pets, children, and those with asthma/allergies. The wax is non-toxic and made from paraffin wax with natural oils. The scents range from neutral, feminine, foodie, manly, and organic.

If you want to do a little shopping and do some good by supporting the Luna Fund, please visit www.wicklessjo.com and send me an email when you are done, telling me your order is for the Luna Fund.

If you have questions about the fundraiser or Scentsy, contact Jo at johannah@timbreblue.com
